The Honorable Kay Granger, Ranking Member
House Appropriations Committee
1036 Longworth House Office Building
Washington, DC 20515

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the City of Alexandria, Louisiana, Police Body Camera Upgrade Project in Fiscal Year 2022. The entity to receive funding for this project is City of Alexandria, Louisiana, located at 915 Third Street Alexandria, LA 71301.

The funding would be used for critical upgrades to body cameras for front line police officers. The cameras are about to reach the end of their service life and will barely cover a 12-hour shift. New cameras would have two batteries and ensure coverage time for a full 12-hour shift, including up to 4 hours of additional time when needed. This proposal would result in a full complement of cameras for every budgeted officer position.

I certify that neither I nor my immediate family has any financial interest in this project.

I request you give this project every consideration, consistent with all rules and regulations. Thank you for your attention to this request. Please let me know if I can be of further assistance.

Sincerely,

JULIA LETLOW
Member of Congress
