The Honorable Kay Granger, Ranking Member  
House Appropriations Committee  
1036 Longworth House Office Building  
Washington, DC 20515

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the City of Ruston, Louisiana, East Kentucky Avenue: Safety and Capacity Improvements Project in Fiscal Year 2022. The entity to receive funding for this project is City of Ruston, Louisiana, located at Post Office Box 2069 Ruston, LA 71273.

The funding would be used to rebuild and revitalize one of the most heavily trafficked local roads in the city of Ruston. Specifically, this project will add an additional turn lane, construct curb and gutters with subsurface drainage, relocate all overhead utilities underground, remove a timber bridge structure, add energy efficient lighting, and add American with Disabilities Act (ADA) compliant pedestrian facilities. This project will decrease traffic congestion, enhance safety, and provide economic value to the district.

I certify that neither I nor my immediate family has any financial interest in this project.

I request you give this project every consideration, consistent with all rules and regulations. Thank you for your attention to this request. Please let me know if I can be of further assistance.

Sincerely,

JULIA LETLOW  
Member of Congress
