The Honorable Kay Granger  
Ranking Member  
House Committee on Appropriations  
1036 Longworth House Office Building  
Washington, DC 20515

Dear Chairwoman DeLauro and Ranking Member Granger:

I am requesting funding for Louisiana Delta Community College's United Programs for Health Science and Teacher Education Project in Fiscal Year 2023. The entity to receive funding for this project is Louisiana Delta Community College, located at 7500 Millhaven Road Monroe, LA 71203.

The funding would be used to create a streamlined educational program that will address workforce shortages in healthcare and education, two career paths that were most impacted by the pandemic. The project seeks to target two groups of students: high school junior and seniors and mid-career participants looking to upskill. The programs will have clear progression map from beginning, with a high school dual enrollment component, to end, with a defined path to graduate work and a terminal degree. The program will provide a mechanism for students to enroll in multiple educational institutions therefore enabling an efficient learning system while also completing internships or apprenticeships along the way.

I certify that neither I nor my immediate family has any financial interest in this project.

I request you give this project every consideration, consistent with all rules and regulations. Thank you for your attention to this request. Please let me know if I can be of further assistance.

Sincerely,

Julia Letlow  
MEMBER OF CONGRESS
