The Honorable Rosa DeLauro
Chairwoman
House Committee on Appropriations
H-307, The Capitol
Washington, DC 20515

The Honorable Kay Granger
Ranking Member
House Committee on Appropriations
1036 Longworth House Office Building
Washington, DC 20515

Dear Chairwoman DeLauro and Ranking Member Granger:

I am requesting funding for the University of Louisiana Monroe (ULM) to establish a State Mesonet Network Project in Fiscal Year 2023. The entity to receive funding for this project is ULM, located at 700 University Avenue, Monroe, Louisiana 71209.

The funding would be used for purchasing equipment to support the installation of 100 mesonet sites across Louisiana. At least one site will be installed in every parish, with some parishes having multiple sites, given their size and population distribution.

I certify that neither I nor my immediate family has any financial interest in this project.

I request you give this project every consideration, consistent with all rules and regulations. Thank you for your attention to this request. Please let me know if I can be of further assistance.

Sincerely,

Julia Letlow
