The Honorable Rosa DeLauro
Chairwoman
House Committee on Appropriations
H-307, The Capitol
Washington, DC 20515

The Honorable Kay Granger
Ranking Member
House Committee on Appropriations
1036 Longworth House Office Building
Washington, DC 20515

Dear Chairwoman DeLauro and Ranking Member Granger:

I am requesting funding for the Construction of Opposite Alexandria, Louisiana Front Revetment on John Bennett Johnston Waterway Project in Fiscal Year 2023. The entity to receive funding for this project is the U.S. Army Corps of Engineers, Vicksburg District, and located at 4155 Clay Street, Vicksburg, MS 39183.

The funding would be used for providing structural security to the navigation channel. Additionally, refinements to the channel alignment are necessary to improve the safety and reliability of the navigation channel as well as to reduce maintenance dredging costs. These refinements consist of reinforcing or capping out existing revetments and adding additional contraction structures (dikes) to improve navigation conditions.

I certify that neither I nor my immediate family has any financial interest in this project.

I request you give this project every consideration, consistent with all rules and regulations. Thank you for your attention to this request. Please let me know if I can be of further assistance.

Sincerely,

Julia Letlow
MEMBER OF CONGRESS
