The Honorable Rosa DeLauro
Ranking Member
House Committee on Appropriations

Washington, DC 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Alexandria International Airport Extension of Runway 18-36 and Associated Improvements Project in Fiscal Year 2024. The entity to receive funding for this project is the Alexandria International Airport, located at 1611 Arnold Drive, Alexandria, LA 71303.

The funding would be used to extend and make critical improvements to the Alexandria Airport runways. The runway extension and improvement project will continue to allow larger aircraft to come in and out of Alexandria. This project is a good use of taxpayer funding because it will ensure the airport's long-term viability as market conditions lead to the increased use of larger aircraft, connect local business owners and the community with other parts of the country, and ensure military readiness at the nearby Fort Polk.

The project has a Federal nexus because the funding provided is for purposes authorized by 49 U.S.C. 47100 et seq.

I certify that neither I nor my immediate family has any financial interest in this project.

I request you give this project every consideration, consistent with all rules and regulations. Thank you for your attention to this request. Please let me know if I can be of further assistance.

Sincerely,

Julia Letlow, Ph.D.
